# SUPPORTING HOCO STUDENTS FOR 20 YEARS

## OUR STORY

Founded in 2003, AOK is an independent non-profit organization dedicated to helping students succeed. We are an official partner of the Howard County Public School System, providing both homework and academics help, and social/emotional support, depending on the strengths of the mentor-tutor and the needs of the student being served.

We also "staff" classrooms and after-school programs, and occasional one-time volunteer opportunities when called upon.

## OUR STUDENTS

Currently, 29 HCPSS elementary and middle schools are participating in the program, representing about 350+ children. School liaisons or parents enroll students with AOK to be matched with a mentor-tutor for at least one meeting a week for the school year.

## OUR VOLUNTEERS

Our volunteers are adults who are trustworthy, reliable, and excited to support students. AOK thoroughly screens our mentor-tutors through a rigorous process which includes comprehensive background checks in partnership with Y of Central Maryland. We go beyond what is required by the school system to ensure safety for students.
